

DANCE CONNECTION INC. 2015-2016 Class Dress Codes

The following dance attire is what is expected of all students to wear when participating in class. Hair is to be worn up and off the face for all classes.

Teachers reserve the right to ask dancers to leave if they are not in proper dance attire and if hair is not up.

If your child is in a competitive class, it may help to purchase two tights - one for class and one for festivals and performances.
