

Tuesday, April 18 - Picture Schedule

We will be learning the show finale either before or after your scheduled photo. If you are going to be staying for quite a while after your photo time, we encourage you to bring regular dancewear to change into.

Bring your costumes in a labelled garment bag and preferably arrive with makeup and hair done. NO eating or drinking while in costume (even water stains show on some fabrics)

Parents will NOT be allowed in the photo area.

Please be punctual as you will notice the times are very tight and tardiness is not appreciated.
