GROOVE STREET PRODUCTIONS

Weekend Dance Workshop

November 10 & 11 @ Shaw Conference Centre

We encourage students in Jr C Jazz and up, to experience this weekend workshop. This event is held at the Shaw Conference Centre in downtown Edmonton. It is a weekend of learning from some of the most sought after dancers and choreographers in the industry. You will learn in a LARGE group setting some new steps and combinations in Jazz, Hiphop, Musical Theatre and other genres of dance.

Our teachers will be there to support our students in this exciting dance experience. You will have a 2 full days of dance with dancers from all over Northern Alberta. It will be a weekend you won't forget.

Fees for the weekend are:

Junior dancers Jr C, D and Pre Int	\$200
Intermediate dancers	\$225

Dancers generally arrive at 8:00am on Saturday to register, then find their first class. They will do warmup and across the floor and learn a combination. As the day continues they will take other classes, break for lunch and continue on in the afternoon. On Sunday, depending if you have the same teacher, you may add on to the combination from Saturday, so keep your wits about you!

The best thing is meeting dancers from other studios and making new friends who love dance as much as you.

We will be considering fundraising programs to help offset the cost of this awesome activity..

If you are interested, please let your teacher or the office know.

Practice make perfect!
