Good news! We supply new tights with your costumes.

CLASSWEAR

Parents are responsible to purchase the correct dancewear.

Shoes, tights and bodywear are specific for each dance style and level. Dancers are expected to attend class in appropriate attire and appropriate hairstyle. **Ballet classes require a neat ballet bun.** All other classes, hair up in a ponytail or similar style.

Why?

Looking good and dressed right helps with learning and motivation. Also, it takes the guesswork out of what to wear so you can focus on dancing. Studies have shown that dressing in uniform builds team spirit and reduces distractions so we can focus on the tasks at hand.
